## PROGRAM UPDATES

### Staff Appreciation

We once read, "Cooking is creating emotion," and celebrating this quote every day is Maribel, our head cook at BGCTK. Associated with us for nearly a decade, Maribel is responsible for serving hot, delicious meals to over 100 kids daily. If we ask her what, according to her, would be the most popular meal from her kitchen, the answer is chicken and rice, and that is completely believable because of the love and attention given to every dish by her. Her passion for cooking began in her childhood days and soon became her calling for a career. Maribel believes the energy and love she gets from the children keep her motivated and committed to her art. Thank you Maribel for all that you do for our organization, especially for the children!

### Skateboard Donations

Over the past month, we have donated over 60 skateboards from Journey's Ontario in partnership with Little Burgundy. These skateboards have a unique design and have made our kids happy just before the holiday break!

## CLUB UPDATES

### Community Day at Cineplex

On November 19, BGC Canada and Cineplex partnered up for Community Day. We had a great time enjoying the free movies and great deals on snacks!

\$1 from every concession order and Xscape arcade play card sale throughout the day will support BGC Canada.

### Holiday Hamper Information

Dear Parents/Members

Due to the overwhelming response, Holiday Hamper Registration is on pause temporarily.

Please check back for updates!
